DANIEL T LAND

P O BOX 914

FILLMORE UT 84631

Dear Mr. Land:

On July 17, 1995, a field compliance inspection was conducted for your notice, UTU-070668 (formerly UT-055-91-13N), located in Section 9, T. 23 S., R. 13 W. This notice was accepted by our office on May 22, 1991, under the 43 CFR 3809 regulations for surface management. Based on our inspection, we have determined the surface disturbance related to your mining operation meets our guidelines for reclamation. Therefore, this notice case file is closed.

If you restart any mining related activity that causes surface disturbance, then you must re-notify this office at least 15 days prior to the start up of your operations.

Thank you for submitting your notice and for your support in proper management of public lands.

Sincerely,

Rody Cox
Geologist
